SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with 37 CFR §1.56, 37 CFR §1.97(c)(1), and 37 CFR §1.97(e)(1), applicants wish to call the Examiner's attention to References 60-71 listed on the Supplemental Modified 1449 Form submitted herewith. Copies of these references are enclosed.

The undersigned certifies that each of References 60 and 62-71 was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement, i.e., in a July 19, 2004 Supplementary Partial European Search Report regarding applicants' corresponding European Application No. 00 96 1668. Pursuant to §609 A(3) of the MPEP, a copy of the EPO's July 19th search report, which sets forth the degree of relevance of the references found by the EPO, is attached hereto. The remaining references of this search report have previously been made of record in this application. Based on the Annex to the European Search Report, an English language patent publication corresponding to Reference 65 has been obtained and is enclosed (Reference 61).

No fee under 37 CFR §1.17(p) is believed to be due for this submission. However, if a fee is required, applicants request that the fee be charged to Deposit Account No. 11-1158.

The Examiner is respectfully requested to initial a copy of the Supplemental Modified 1449 Form and return it to applicants to indicate consideration of the references listed thereon in connection with the prosecution of this application.

Respectfully submitted,

Date: 10/19/04

Maurice Klee
